I've never been this close to anyone or anything I can pour your thoughts I can see your dreams

I dont know how you do what you do I'm so in love with you it just keeps getting better. I want to spend the rest of my life with you by my side forever and ever

every little thing that you do ... baby i'm amazed by you... the smell of your skin the taste of you i kiss the way you whisper in the dark, your hair all around me the way you surrounded me

everytime our eyes meet this feeling inside te is almost more than i can take baby when you touch me i can feel how much ou love me and it just blows me awa

ve never been this close to anyone or nything I can pour your thoughts can see your dreams

dont know how you do what you do m so in love with you it just keeps getting etter. I want to spend the rest of my life ith you by my side forever and ever

If I could grant you one wish i wish you could see the way you kiss oh i olve watching you baby when your driving me crazy i love the way you love me there's nowhere else i'd rather be I really wish you could see the way you love me. Its not right its not fair what your missing over there someday i'll show you just how lucky i am to know you. I only wish that you could see the way you love me. Your the million reasons why there's love reflecting in my eyes.

I'd climb right upto the sky, take down the stars just to be in ur arms baby i'd go and capture the moon thats what i would do just to hear you say that you love me. If i could take your love there'd be no sweeter gift heaven could offer baby. I want to be the one living to give you love till walk across this world just to be close to you cos i want you close to me. I'd climb right upto the sky i'd take down the stars just be in your arms baby i'd go and capture the moon just to hear you say you love me.
